

Notice of Intent and Public Meeting

A public meeting of South Cleveland Water Supply Corporation will be held at the corporation office, located at 561 County Road 331, Cleveland, TX on Tuesday, October 24, 2023, at 6:00 pm.

The purpose of this meeting is to give the citizens of our area an opportunity to become acquainted with and to provide comments on the proposed third water well site to be constructed at 3704 FM 1010 Road, Cleveland, TX 77327.

The South Cleveland Water Supply Corporation has filed an application with the USDA Rural Development for financial assistance to construct this new well site for its water system.

This project will include a new water well, elevated water tower, transmission piping to an existing water plant, wellhead piping and well site improvements.

For further information please contact South Cleveland Water Supply Corporation at 281-659-9771.
